[Mark Ruffalo](#) and his wife Sunrise Coigney are just a couple months away from celebrating their 17th wedding anniversary, but the spark is still there.

The 49-year-old actor turned the Turtle Ball, a charity event in New York City hosted by the

Turtle Conservancy, into date night on Monday.

In between posing for photos on the red carpet, Ruffalo and Coigney shared a sweet kiss and exchanged a few smiles.

The mother of three — Keen, 15, Belle, 11, and Odette, 9, — looked lovely in a simple two-tone dress with a white detail cinching her waist. She wore her hair in a braided updo and accessorized with dangling earrings. Meanwhile, Ruffalo looked dapper in a black suit and tie paired with a blue shirt.
